

MISSION

The mission of **Harding Avenue Elementary School** is to provide a safe, stimulating environment in which each student is actively engaged in the learning process to achieve his/her intellectual potential. The school will work collaboratively with parents and community to ensure all students develop the skills to become productive global citizens with a lasting enthusiasm for learning.

VISION

Harding Avenue Elementary School values a safe and positive learning environment that:

- Sustains high expectations for achievement through rigorous, individualized instruction which engages students in meaningful learning experiences
- Integrates 21st century technology skills for competency in a global world
- Inspires students, parents and staff to be actively caring community members
- Encourages healthful living choices and environmental awareness
- Provides opportunities for all to develop a lifelong enthusiasm for learning
